

Crematorium

As many of you will now be aware, the application to site a crematorium on land north of the A44 and to the west of Fladbury Cross has been given approval by Wychavon District Council. The Planning Committee met on July 27th and voted 12 to 2 in favour with one abstention in spite of the large number of objections posted on the website and the Parish Council and the objectors speaking against at the committee meeting.

The approximate timescales are thought to be as follows:-

- Commence site works November/December 2017.
- Build time – nine to ten months
- Operational – October/November 2018 to ease pressure on neighbouring facilities during that winter.

Naturally, we will keep everybody posted on developments as information becomes available.

Ian Southcott

Chair, Fladbury Parish Council
