

## Restoration of Bus Service through Fladbury

I am now delighted to confirm that from October 16th, a two hourly service will come into operation. The following times show when the scheduled service - **the 52** - will be stopping in Fladbury.

To Evesham. 09.46. 11.46. 13.46. 15.46

To Worcester. 10.21. 12.21. 14.21. 16.21

The early morning and late afternoon service remains the same.

The full timetable is now available and we will do our best to publicise it over the coming weeks.

It must be stressed that a lot of hard work has gone into restoring the off-peak service. **However, it should be remembered that it will be a 'use it or lose it' scenario;** no doubt First will review usage after a certain period and if the service cannot be justified, it will probably be withdrawn.
